Prayer Requests

Minami Elementary School mothers Please pray for Lisa and her translator and administrator, Shinobu as they go to the school to teach the 40 mothers of students from grades 1-6, a 2-hour lesson on communicating with your child in truth and in love on Sept. 27th.

Leadership Advantage/Regional Coordinator's Meeting Please pray for Corey and a member of our church, Kazu as they travel to Hawaii for Hope Chapel Kaneohe Bay's annual Leadership Advantage seminar. Corey will then travel to Los Angeles for Foursquare Missions International's regional coordinators' meeting which will gather all the coordinators from around the world.

Kailie and Malia Thank you for your prayers for Kailie! She has had a good two-week start at Christian Academy of Japan as a 7th grader. She has made new friends and has invited them over to our home. The transition from studying in Japanese to English went pretty smoothly. God is so good! Malia has restarted at the Japanese public school, Minami Elementary. She has been practicing hard for their annual Sports Day Festival event. Please continue to pray for our girls, that the LORD would continue to give them favor with their friends, classmates, teachers, and staff at their schools.

Praise Reports

WESTMINSTER FOURSQUARE CHURCH MISSION TEAM Westminster Foursquare Church mission team members: Kristin Gentry, JoAnne and Megan Atlakson served our church and community for three weeks in July! They had three weeks to prayerfully prepare and plan for their God-ordained trip here as they traveled from their homes in Orange County, California. Through their musical/vocal talents and powerful testimonies, the LORD worked in wonderful ways: 1) Ministering at the nursing home, Tokoro-no-sono; 2) Teaching English and worship songs at Minami Elementary School (Malia's school); 3) Participating in mini-church; 4) Performing at a concert with another California church here at Hope Toko; 5) Teaching our HEART to HEART kids; 6) Putting together a mini-vacation Bible school; 6) Having a sleepover for the tweens/teens (girls ages 8-15); and 7) Visiting a Christian girls' private school in Tokyo. Three girls gave their hearts to Jesus through their evangelistic efforts! †

A LEGACY OF LOVE God birthed our A Legacy of Love monthly parenting seminar in September of 2002, four months after He birthed HEART to HEART, our children's English Bible ministry for the parents of the HEART to HEART kids. The LORD has branched out and included mothers from the community and prefecture. We just celebrated our 4th Anniversary and 41st parenting seminar on Sept. 14th. The LORD has always provided us with guest speakers each month and a faithful volunteer staff serving these past four years. We are truly grateful for His provision and faithfulness in equipping the parents to help leave a legacy of love to their children and in working to help the husband and wife relationship grow healthy. Thank you for praying with us as we continue to press forward in this monthly ministry! †

MONGOLIA/KOREA Corey's trip to Mongolia this month was to try and help develop relationships with the only Christian TV station in Mongolia and the churches so they could link-up to work together in His kingdom works. Corey spent many nights with very little sleep talking through the night with the key laborers in this work. He will also be going to Korea to inspect the use of Foursquare Foundation grants and help strengthen and encourage the churches there. Thank you for remembering him in your prayers! †

*With love in His precious Name,
Corey, Lisa, Kailie and Malia*
