

Love, Yes, It's Love

Hope Chapel Tokorozawa

“For I know the plans that I have for you, says the Lord, plans for peace and not for evil, to give you a future and a hope.” (Jeremiah 29:11, MEV)

Introduction

There are major turning points in our life. Today, Seiichiro Tanaka will reflect on his 62-year journey and give his testimony about how God has changed him.

1. God prepares everything.

-- Completely trust Him in any situation.

2. Love God and live a life He loves.

-- Have the same goal as Him and walk as His allies.

3. Pass the baton of faith.

-- Pray, lead and wait for His “time.”

Conclusion

God is always working for us. However, all we can do to be aware of His intentions is to wait for His “time.” Give thanks to Him who has plans to give us peace.
